

Hoi geliefd kind,

God wil graag dichtbij ons wonen, omdat Hij heel veel van ons houdt! Wij hebben in huis een plekje gemaakt, waar we dicht bij God kunnen zijn, waar we kunnen bidden, zingen en Bijbel lezen. We mogen alles aan God vertellen. Heb jij ook zo'n plekje in huis?

Hieronder vind je weer een leuke knutsel, kleurplaten en een spelletje.

Veel plezier!

Groetjes Ollie en Sophie

knutsel

Nodig:

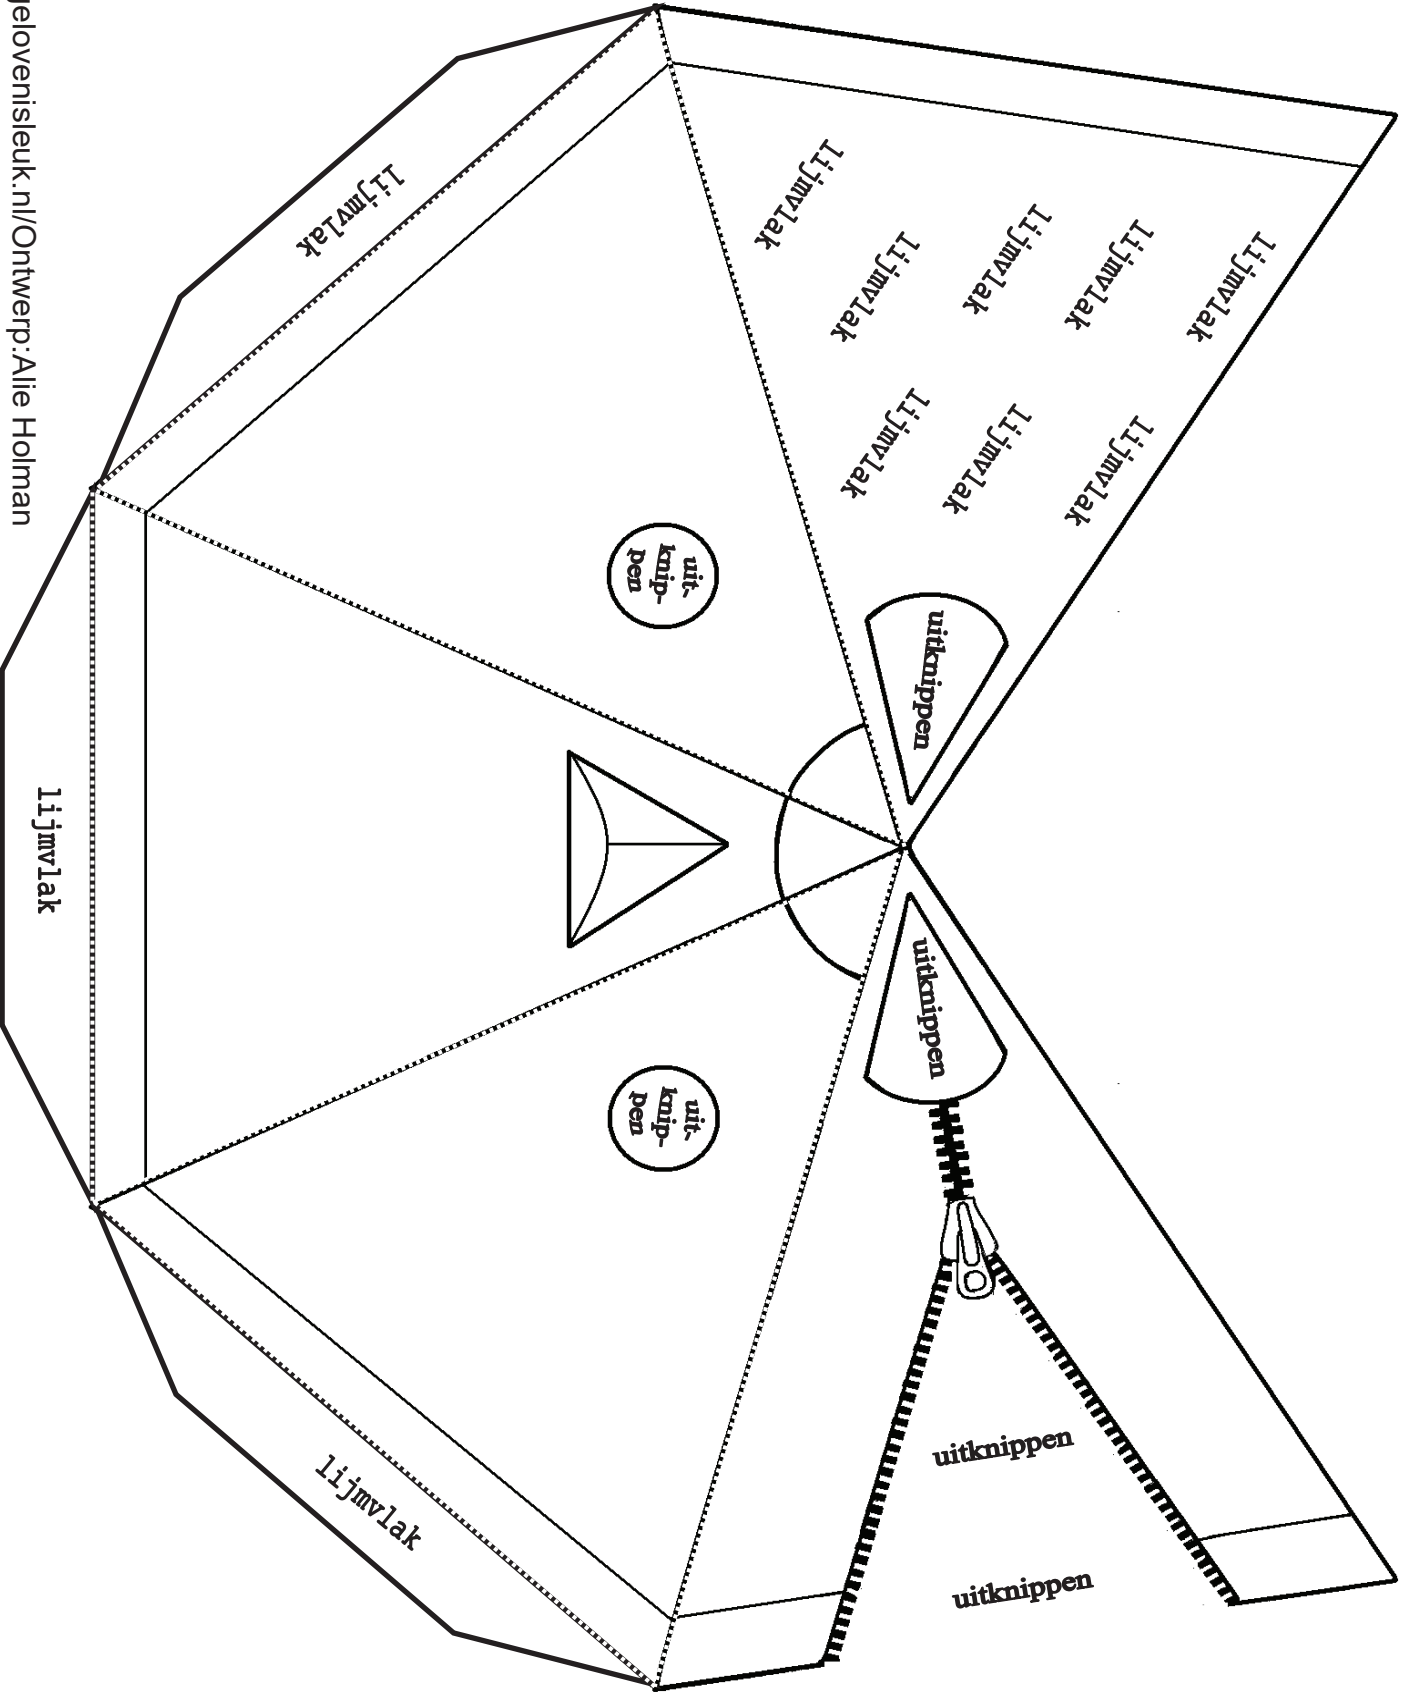

- print van de 2 werkbladen
- kleurpotloden\stiften
- schaar
- lijm
- evt gekleurd papier

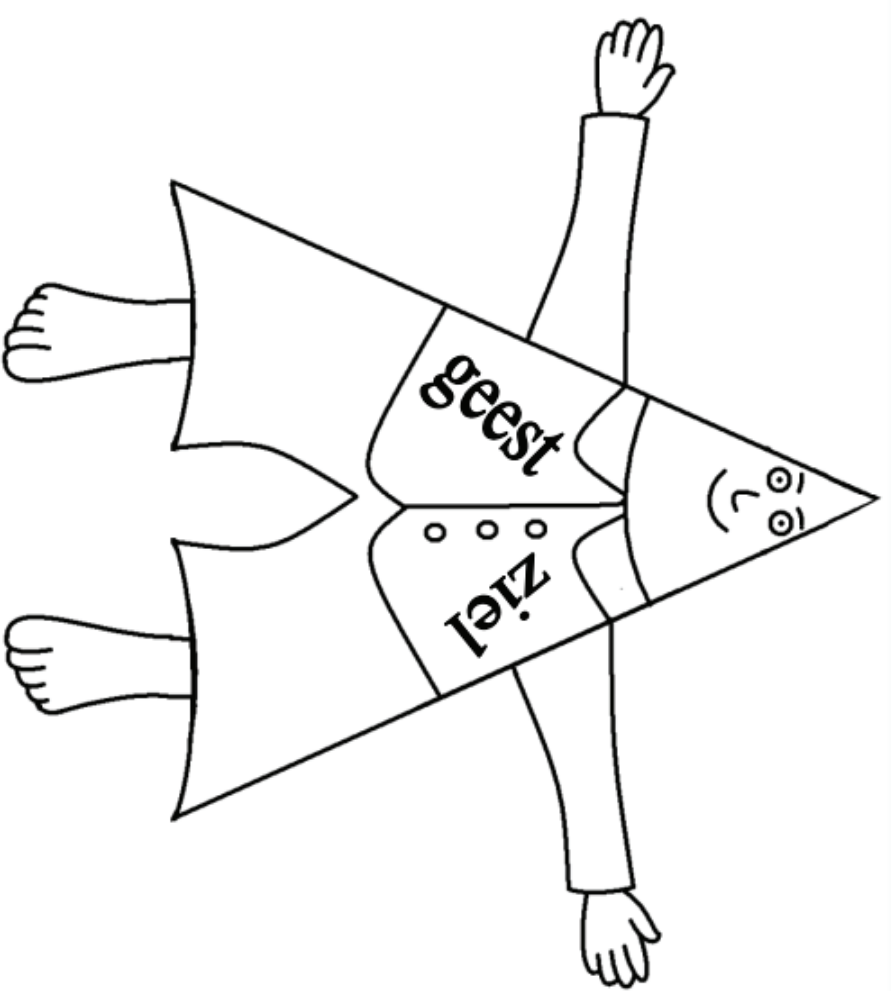

Doen:

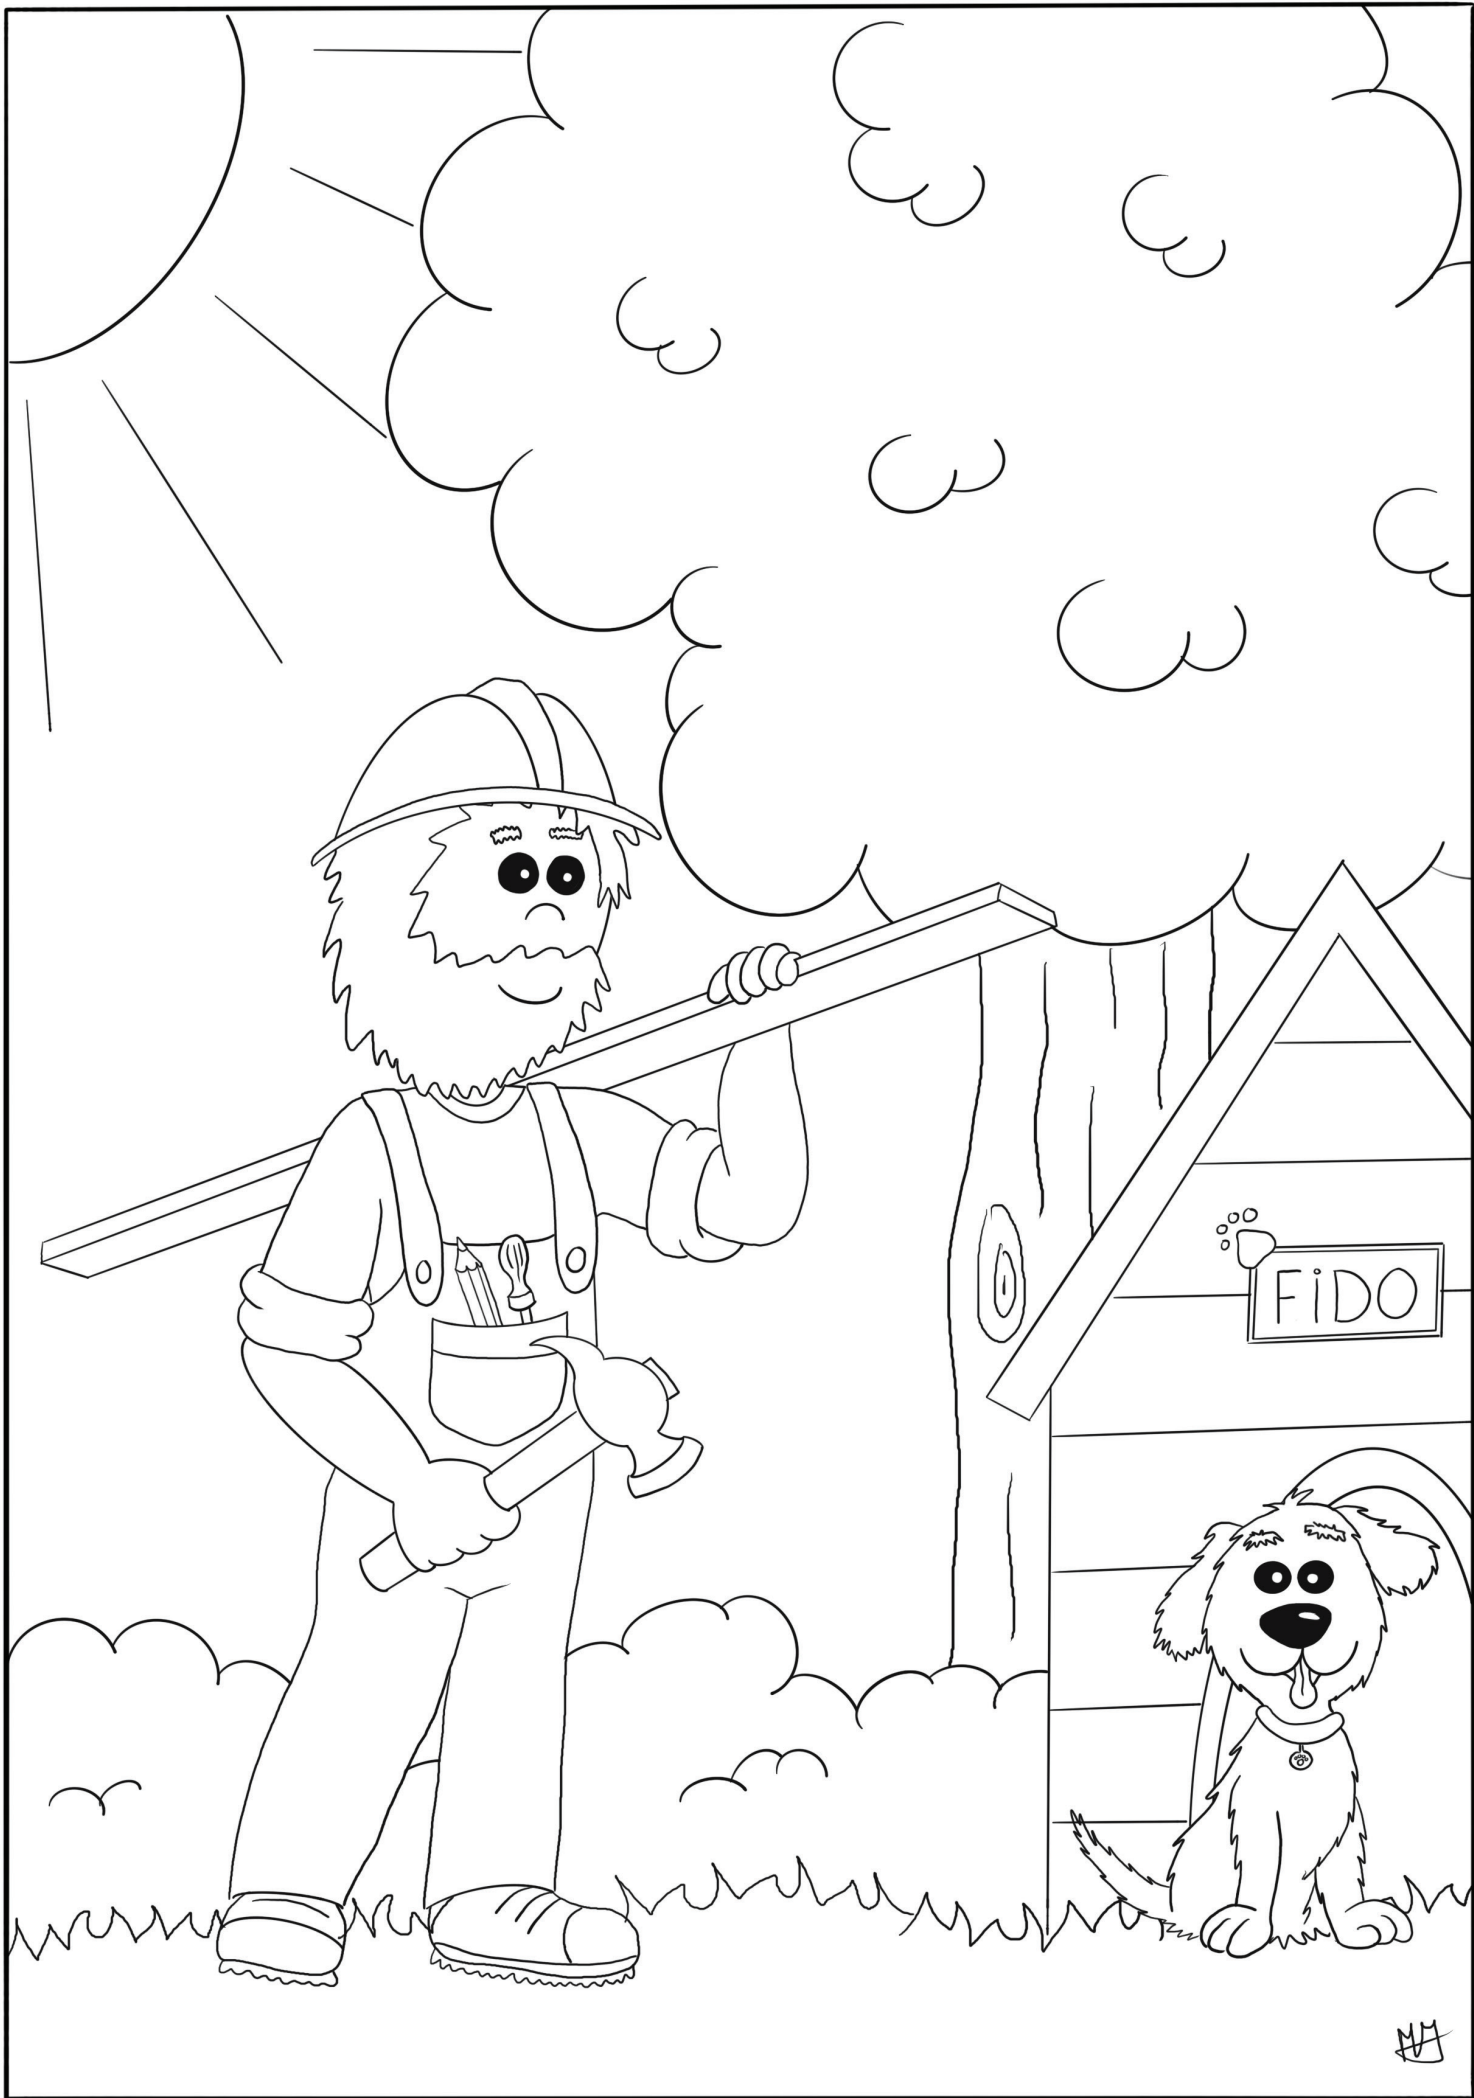

1. Kleur werkblad 1 in.
2. kleur het poppetje en het grondvlak op blad 2 in en knip ze uit.
3. Vouw de basisplaat op de vouwlijnen. De plakstroken komen onder het tentje zodat die precies binnen het vierkant op de onderplaat kunnen worden gelijmd.
4. Knip eerst de rondjes op de tent welke bestemd zijn als armsgaten uit.
5. Lijm de voorkant van de tent met rits over het laatste vlak van de tent heen. Dit zorgt even voor wat extra stevigheid.
6. Knip nu het raampje op de voorzijde uit.
7. Knip ook de punt tussen de rits uit. (zie voorbeeldfoto, zorg dat er een opening komt)
8. Hang het poppetje erin met het hoofd achter het raampje en de armpjes door de openingen.
9. Plak nu de tent met de plakstroken op het onderplateau.
10. Nu is je tent klaar!

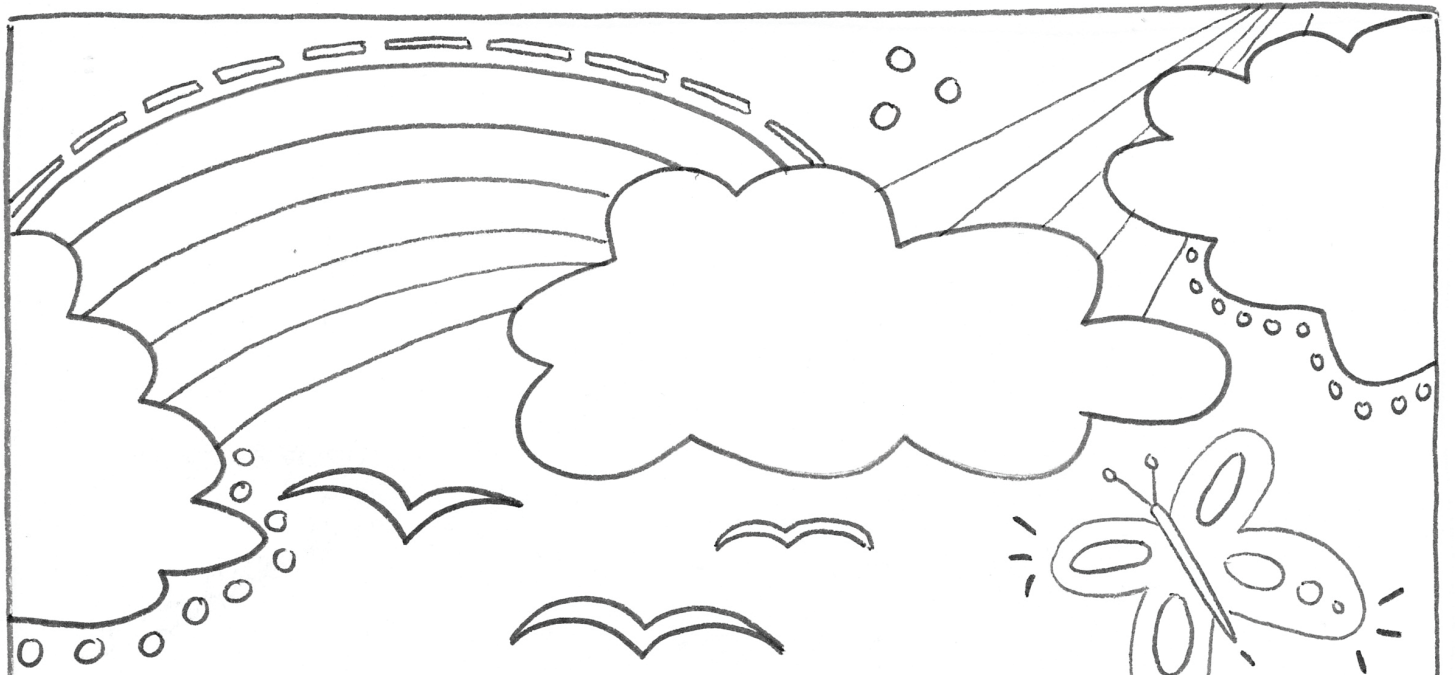

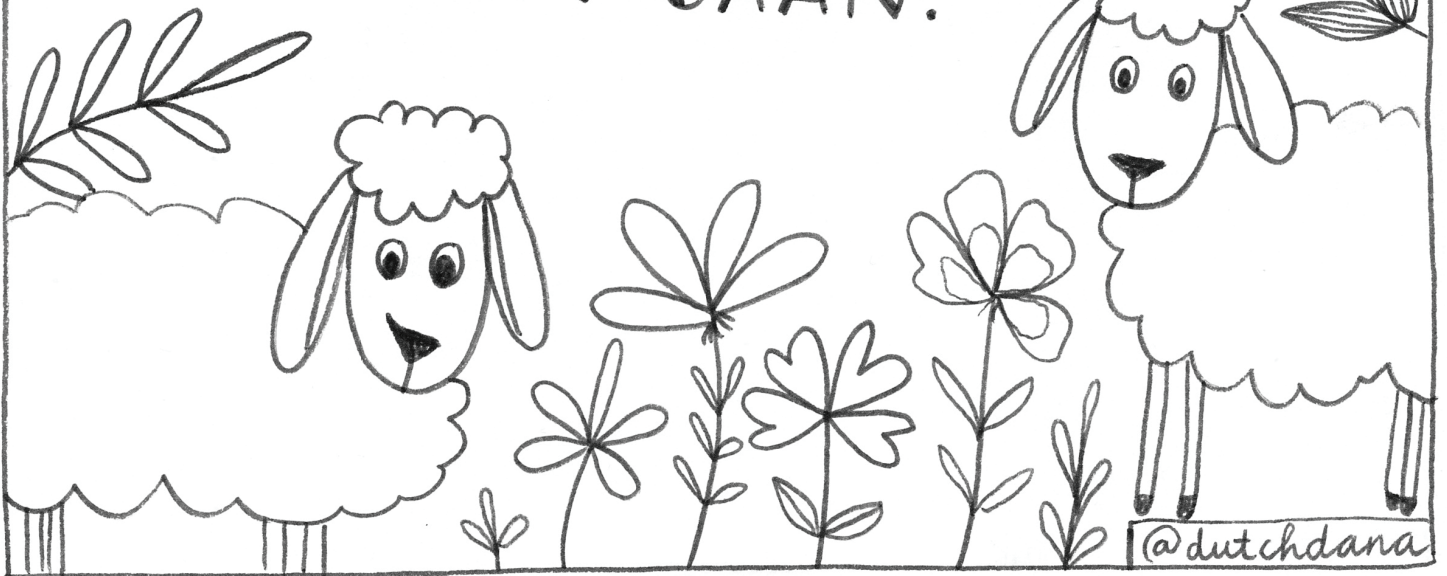

In dit tentje mag ik wonen,
om dicht bij God te komen.

Print de bladen hieronder uit, het liefst op dik papier. Lukt dit niet? Je kunt het ook op gewoon papier uitprinten en vervolgens op dik papier plakken en dan uitknippen.

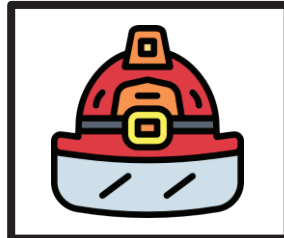

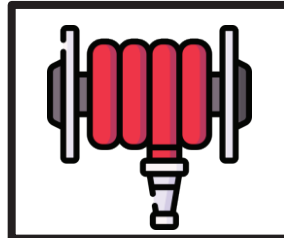

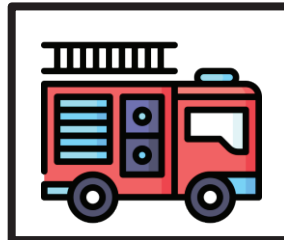

Klaar?
